

Warriors' Angels Program Standards for Program Trainers

These are intended to be minimum standards for all assistance dog programs that want to be affiliated with ADI. All Trainers are encouraged to work at levels above the minimum. The following defined standards apply whether a program's trainer is an approved or a paid trainer (service provider).

- 1. Trainers must understand and adhere to all ADI Minimum Standards and Ethics.**
- 2. Trainers must be able to produce effective working teams that meet AKC "Canine Good Citizenship" (CGC) standards, and the ADI Standards (i.e. Public Access Test, demonstration of 3 ADA tasks) as reviewed at the 1 year anniversary of the team.**
- 3. Trainers must have up to date knowledge of best practices in many areas including:**
 - a) learning theory
 - b) canine behavior
 - c) canine care and safety
 - d) variety of training techniques, equipment, and methods
- 4. Trainers must demonstrate effective:**
 - a) communication skills
 - b) instruction of groups and individuals
 - c) assessment and problem solving skills
 - d) self-assessment and improvement of performance
- 5. Trainers must demonstrate:**
 - a) an understanding of the matching process of client with dog
 - b) knowledge of the environment a team will encounter, specifically concerning family, community, school and workplace and the impact these may have on each working team.
 - c) knowledge of and ability to determine when a training process ,placement, or certification needs to be discontinued.
- 6. Trainers have a responsibility to the public, therefore they must:**
 - a) have knowledge of pertinent canine laws (i.e. leash laws and public access laws) build rapport and establish effective working relationships with co-workers, clients, volunteers, and the community
 - b) use appropriate behavior in public when working with each dog and or client (i.e. train one dog at a time, be polite, show respect and consideration to people and property, and maintain good personal and canine hygiene), be willing to educate the public about assistance dogs and access rights
