&
Beloved Pets**

Updated: Dec 2019

Background

January 2007, the Guardian Angels for Soldier's Pet© announced plans for the development and establishment of the first "Military, Veterans, & Pet" (MVP) Sanctuary project with the first one to be located in Garland County, Arkansas

August 2010 moved GAfSP operations from Hot Springs, AR to Gatesville, TX (approx. 14 miles west of Fort Hood).

August 2018 sold property purchased in 2010 and moved to a new property on the east side of Gatesville (approx. 9 miles north of North Fort Hood)

January 2020 Program/Capital Project official fundraising begins with first fundraiser planned for May 2020

Purpose

- ◆ Develop, implement, and administer various projects and activities at the Guardian Angels for Soldier's Pet TX property as another way in supporting our military service members, wounded warriors, veterans, their families, and Fallen Warriors families .
- ◆ Honoring and Remembering our Fallen Warriors (military, law enforcement, and first responders) who have paid the ultimate sacrifices plus Military Working Dogs and beloved pets who have crossed the "Rainbow Bridge".

Projects

- ◆ **Memorial Gardens**
Designated areas to honor and remember our Fallen Warriors, Military Working Dogs, and Beloved Pets..
- ◆ **Event and Picnic Activities**
Designated areas for events honoring our heroes and organizational fundraising events including such areas as covered pavilions, volley ball court, horseshoe events, and picnics.
- ◆ **Warriors' Angels Training Facility**
Dedicated facility for training the Warriors' Angels Teams in Central Texas.

- ◆ **Organization's National Headquarters**
Establish official offices for the organization's "day-to-day" operations.

**Anticipated Total Cost to Establish
above: \$175,000**
